### *City Council Priorities for the Upcoming Year*

**E**ach year, the Lemon Grove City Council conducts a priority setting workshop. During this special meeting, the City Council discusses the accomplishments from the past year and addresses priorities for the upcoming year. As a result of public discussions on February 24<sup>th</sup>, April 7<sup>th</sup>, and April 21<sup>st</sup>, the City Council developed six priorities for 2015.

#### Significant priorities that will receive attention in 2015:

**Economic Development,  
City Appearance,  
Infrastructure,**

**Public Safety,  
General Plan, and  
Recreational Opportunities.**

***Economic Development*** – economic development continues to be a priority for the City. In 2015, the City Council wishes to continue working with regional economic development partners such as the East County Chamber of Commerce and the East County Economic Development Council on business attraction and support and identify niche businesses for the City's heavy commercial/industrial areas.

***City Appearance*** – the visual image of the City is important. Enhancing the City's appearance can be expensive in resources and time. As such, in 2015, the City Council will focus on implementing a plan to address graffiti, illegal dumping, littering, and abandoned shopping carts. It will also work with the business community regarding design standards in the commercial corridors.

***Infrastructure*** – over the past few years, the City has competed for and has been awarded several significant infrastructure related grants. In 2015, the City Council wishes to complete some of the ongoing large capital projects (Lemon Grove Avenue Realignment Project, Connect Main Street, etc.), and create a more user friendly Capital Improvement Program document and website to keep residents updated on projects.

***Public Safety*** – in 2014, the City Council formed a Public Safety Focus Group. One of the ideas that came from the Focus Group was the need to promote a "crime free multi-housing" program with apartment complex managers. In 2015, the City will work with property owners to consider implementing this program. For more information about crime free multi-housing, see the article on page 4.

***General Plan Update*** – with the City's General Plan nearing its twentieth anniversary since its last update, the City Council will discuss upcoming steps necessary to update the General Plan, including the formation of a General Plan Advisory Group.

***Recreation Opportunities*** – during the Great Recession, the City reduced several of its recreation programs while contracting out others. In 2015, the City Council will form a Focus Group to explore potential recreational opportunities in the City. The City Council will also consider a revised joint use agreement with the Lemon Grove School District to allow the fields and courts behind the Recreation Center to be open to the general public during non-school hours.

## BEWARE OF SCAMS AND SOLICITORS

**T**he number and sophistication of scams, fraud, and attempts of identify theft are on the rise. Identity theft is someone taking your personal information like your name, Social Security number, or financial account number and using it for unlawful purpose. Scams are designed to earn your trust and steal your money. Fraud is knowingly signing a name, counterfeiting, altering or attempting to pass as true any item with the intent to defraud.

According to the 2014 Identity Fraud Report (Javelin Strategy & Research), there were 13.1 million U.S. adult victims of identity theft in 2013, or nearly one victim every two seconds. That figure represents 5.5% of U.S. adults, including over 1.6 million Californians. There is no official number of victims of scams, although there is a list of common scams on the State of California website. Visit [http://www.takechargeca.ca.gov/campaigns/scams\\_types.shtml](http://www.takechargeca.ca.gov/campaigns/scams_types.shtml) for helpful information and resources.

Visit the Sheriff's Department website for more information and resources and helpful tips to avoid becoming a victim of scams and fraud: <http://www.sdsheiff.net/financial>.

**The City has received reports of solicitors posing as City representatives, typically selling home improvement or energy efficiency services. *The City does not provide such services.***

If you are approached by someone selling something and representing themselves as a City employee or agent, please call the Sheriff's Department non-emergency number—(858) 565-5200.

## CRIME FREE MULTI-HOUSING PROGRAM

**T**he City of Lemon Grove encourages all apartment complex owners and managers to participate in the City's Crime Free Multi-Housing program. This is a free program provided through the County of San Diego Sheriff's Department. Participants receive training, learn how to implement rules and policies, and receive a free property inspection that focuses on simple changes to make rental properties safer. This voluntary program aims to reduce criminal activity in and around apartment complexes. The anticipated benefits include reduced law enforcement calls for service, a more stable resident base, and reduced exposure to civil liability. Added benefits of the program include making properties safer for residents and lowering property insurance costs. Once the program is complete, the property will become certified and can be advertised as a certified Crime Free Multi-Housing property.

Over the next few months, the City will be contacting apartment complex owners to encourage their participation in this program. If you would like more information, please contact Laureen Ryan Ojeda at (619) 825-3807 or [lojeda@lemongrove.ca.gov](mailto:lojeda@lemongrove.ca.gov).

## BUILDING COUNTER HOURS EXTENDED

## PROPERTY ASSESSED CLEAN ENERGY ("PACE")

**T**here are three PACE financing programs available to Lemon Grove property owners. Each program is tailored to the individual needs of the property owner. *While the City does not endorse a particular program*, property owners are encouraged to determine whether there is value in participating.

Your energy efficient future, today.

The HERO program was approved by the City in September 2013. HERO is a private program that partners with local governments to make energy efficient, water efficient, and renewable energy projects more affordable for homeowners. Typical projects covered by HERO include solar photovoltaic systems, energy efficient space heating, air cooling and ventilation, cool roof systems, upgrades to windows, solar thermal water heating, weatherization, and energy efficient light fixtures.

**Learn more about the HERO program by viewing their website ([www.heroprogram.com](http://www.heroprogram.com)) or by calling (855) HERO-411.**

The Figtree program was approved by the City in November 2013. Figtree provides financing to commercial property owner to help lower their utility bills with energy efficiency, renewable energy and water conservation upgrades.

**Learn more about the Figtree program by viewing their website ([www.figtreefinancing.com](http://www.figtreefinancing.com)) or by calling (877) 577-7373.**

The Ygrene Works for California PACE (Property Assessed Clean Energy) financing program was approved by the City in May 2015. The PACE program is a tool for property owners to receive financing for energy-saving upgrades to residential and commercial buildings. Ygrene financing can be used for energy efficiency, renewable energy and water conservation projects. PACE programs allow property owners to repay the upfront money through their property tax bill over the course of up to 20 years, while saving on energy and water costs.

**Learn more about Ygrene Works and the PACE financing program at their website ([www.ygreneworks.com](http://www.ygreneworks.com)) or by calling (877) 819-4736.**

## HEALTHY WAYS TO ENJOY SPRINGTIME PHYSICAL ACTIVITY

### 1 Get one hour or more of physical activity every day.

*Activity that makes you breathe harder, your heart pump faster and makes you stronger.*

*Active kids grow up to be active adults.*

#### Make it an hour

##### It's free and it's fun!

- Take a walk with your family,
- Play with your pet,
- Go for a hike,
- Take a bike ride (remember to wear your helmet),
- Turn on music and dance,
- Jump rope,
- Take the stairs,
- Play tag.

#### Make it easy

##### Mix it!

- Try tracking the level of your physical activity by using a pedometer,
- Turn off the TV and computer, and keep them out of the bedroom,
- Choose toys and games that promote physical activity.

##### Moderate vs. vigorous activity:

###### Moderate...

Activities that make you breathe harder, like hiking or dancing.

###### Vigorous...

Activities that make you sweat like running, aerobics or basketball.

#### Make it a game

##### Find new ways to get active

- Give your child extra playtime before or after meals as a reward for finishing homework,
- Avoid giving your child extra time in front of the screen as a reward,
- Play a game of hide and seek with your kids,
- Choose fun, seasonal activities.
- Encourage your child to try a new sport or join a team,
- Incorporate physical activity into your routine to encourage lifelong physical activity.

##### Why physical activity:

- ⇒ It makes you feel good and keeps you more alert throughout the day.
- ⇒ It helps you maintain a healthy weight.
- ⇒ It makes you stronger and more energetic.
- ⇒ It make you more flexible and less prone to injury.

## 2015 LEMON GROVE RELAY FOR LIFE **EVENT WRAP-UP**

**One day. One night. One community.  
One Fight.**

**T**he 10th Annual Lemon Grove Relay For Life, held May 16-17 at Lemon Grove Academy for the Sciences and Humanities did not disappoint! Family, friends, neighbors and co-workers who had been working hard individually and as organized teams to raise funds for the American Cancer Society came together at the event to **celebrate** the lives of those who have battled cancer; **remember** loved ones lost to the disease; and **fight back** against a disease that takes too much.

The event started off with a moving opening ceremony where Lemon Grove Mayor Mary Sessom welcomed the crowd and read a proclamation declaring May 16-17 "*American Cancer Society Relay For Life Cancer Awareness Days*" in the City of Lemon Grove followed by a brave young woman who is still battling cancer who inspired the crowd with the story of her personal battle with the disease and message of strength and hope. The event featured a round-the-clock DJ, quality volunteer entertainment, food and drink to keep the walkers going, Kids' Kamp with fun and imaginative activities put on by the "Sweet Feet" team, watermelon eating and "Mr. Relay" contests, a memorable luminaria ceremony Saturday evening featuring a speaker who shared her story of her personal struggle with brain cancer, a spectacular fireworks show and *so much more...*

### **MANY THANKS ...**

## COMMERCIAL & MULTIFAMILY MANDATORY RECYCLING

**E**ffective July 1, 2012, per the State of California, all commercial businesses generating four cubic yards or more of solid waste per week and multifamily residential dwellings of five units or more *must provide recycling services* at their establishment.

*If you are not sure this applies to your business or residential complex, call EDCO directly at (619) 287-7555 to help you make this determination and ensure you are in compliance with State Assembly Bill 341.*

## INDUSTRIAL/COMMERCIAL STORMWATER COMPLIANCE INSPECTIONS

**T**he City of Lemon Grove is required by the State of California to conduct annual stormwater compliance inspections of its local industrial and commercial businesses. The intent of the program is to ensure that pollutants are not being discharged by businesses into the City's stormdrains and ultimately nearby creeks.

Lemon Grove industrial and commercial businesses will receive a letter from the City detailing upcoming spring inspections.

***Businesses can follow best management practices by implementing these tips:***

- |   |  |
|---|--|
| ◆ Cover material stored outside with tarps  | ◆ Dry sweep or mop, do not hose down outside areas |
| ◆ Place liquids in secondary containment    | ◆ Eliminate over-irrigation                        |
| ◆ Keep trash in their bins with lids closed | ◆ Educate staff and coworkers                      |

## FREE HOUSEHOLD BATTERY RECYCLING AND SHARPS DISPOSAL

For your convenience, the **EDCO Buyback Center**, located at 6700 Federal Boulevard, in Lemon Grove is **open every day of the week**, from 8:00 a.m. to 4:00 p.m., for recycling household batteries and disposing of sharps waste. Questions?..... Call EDCO at (619) 287-7555.

### Household Batteries — AAA, AA, C, D, AND 9V ONLY

Batteries contain heavy metals such as mercury, lead, cadmium, and nickel, which can contaminate the environment when batteries disposed of are improperly. Recycling batteries keeps heavy metals out of landfills and the air and saves resources because recovered plastic and metals can be used to make new batteries.

### Sharps Waste (Needles, lancets, or other devices used to penetrate the skin for the delivery of medications.)

Put sharps in approved sharps containers or in sturdy, puncture resistant, tightly sealed containers like bleach bottles, liquid detergent bottles or coffee cans with lids. **DO NOT STORE IN:** paper or plastic bags, glass containers, cardboard or coated paper containers, plastic bottles that have a CRV (CA Redemption Value) or milk jugs. **LOOSE SHARPS ARE NOT ACCEPTED.**
